

Curriculum Vitae

Rainer Irle

Rainer Irle, male, born in 1970, German citizen, serves as Chairman of the Supervisory Board.

Rainer Irle has been Chief Financial Officer of ams-OSRAM AG, Premstaetten, Austria, since 1 July 2023. In this role, he is responsible for Controlling, Information Technology, Corporate Finance & Treasury, Accounting and Country Finance, Global Business Services, Tax & Customs, Corporate Procurement, Legal & Intellectual Property, Corporate Governance, Corporate Sustainability, Investor Relations, and Global Public Funding.

Rainer Irle has long-standing experience in the semiconductor industry and, prior to moving to ams OSRAM, was CFO of Siltronic AG from 2013. He previously held various management positions in finance at Siltronic and at Wacker Chemie AG. He played a key role in establishing Siltronic, one of the world's largest manufacturers of hyper-pure silicon wafers for the semiconductor industry, as a publicly listed corporation on the German MDAX index.

Rainer Irle began his professional career at A.T. Kearney and Deutsche Bank. He holds an MSc. in Engineering from the Chalmers University of Technology, Gothenburg, as well as a degree in industrial engineering from the University of Siegen.

Other supervisory board mandates outside the ams OSRAM Group: none
